

CAPABILITY STATEMENT

We specialize in custom cutting high-quality screen protectors, and in helping our clients save money by safeguarding their high-tech equipment. Our custom solutions and specialty films improve the screen viewing experience. In addition, our custom privacy filters and monitor hoods provide solutions for securing data privacy. Photodon® also offers promotional microfiber cloths, screen cleaning supplies, protector installation services, laptop stands, and custom kits to suit your business needs.

CORE CAPABILITIES

Custom Products, including but not limited to:

- Screen protectors - any size or shape, up to 100"
- Privacy filters
- Computer monitor hoods
- Indoor and outdoor hoods
- Microfiber cloths
- Promotional cloths
- Laser-cut cloths with adhesive backer
- Screen enhancers such as anti-reflection, anti-glare, blue light reduction, shock absorbing, privacy, and personalized etching
