

CAPABILITY STATEMENT

We specialize in custom cutting high-quality screen protectors, helping our clients save money by safe-guarding their high-tech equipment. Our custom solutions and specialty films improve the screen viewing experience. In addition, our custom privacy filters and monitor hoods provide solutions for securing data privacy. Photodon also offers promotional microfiber cloths, screen cleaning supplies, film installation services, and can assemble a wide variety of custom kits (including private labeling).

CORE CAPABILITIES

Custom Products, including but not limited to:

- Screen protectors - any size or shape, up to 100"
- Privacy Filters
- Computer Monitor Hoods
- Microfiber Cloths
- Promotional/private labeling of cloths and cleaners
- Laser-cut microfiber cloths and 3M adhesive backer
- Screen Enhancers such as anti-reflection, ease of cleaning, etched, glare reduction, blue light reduction, and privacy.
